

Hackensack Meridian School of Medicine

Student Health Insurance

Hackensack Meridian School of Medicine provides initial health insurance coverage for all actively enrolled students. Each student is required to be covered by the school or have comparable personal insurance coverage by the beginning of each academic year.

Health insurance coverage is billed one time in July of each academic year (Jul-Jun). The rate for the 2022-2023 academic year is \$5,647.00. Please click here for more [health insurance](#) information including obtaining your [insurance card](#) and [finding physicians](#) in your area.

Health Insurance Waivers

Student health insurance waivers must be submitted at the beginning of each Fall term with a deadline of July 31 each year. Detailed information regarding health insurance billing, as well as waiver information will be emailed one month prior to the term start. Students who miss the waiver deadline or fail to submit adequate personal coverage will be billed for health insurance coverage for the remainder of the academic year. Reinstatement of Health Insurance

[Qualifying Life Events](#) include marriage, childbirth, loss of coverage, divorce, etc., students who have waived coverage may reinstate. The most common life event is surpassing the age requirement, to be considered a dependent, on a parent's coverage. Reinstatement of coverage is available for only 30 days after this event has occurred. To reinstate coverage, contact customerservice@firstriskadvisors.com.

Spousal and Dependent Coverage

Enrolled students may [enroll a spouse and/or children](#) in coverage during open enrollment periods or after a qualifying life event. Open enrollment extends from July 1 through July 31 each academic year. Once the open enrollment period has ended, students are only eligible to enroll dependents within 30 days of a life event. Payment and enrollment will be directly through First Risk Advisor in these situations. For more information on dependent coverage and life events, please call First Risk Advisors at 1-800-505-4160.
